

haven pendant installation guide

Spring loaded cable clamp - feed cable through to adjust shade height.

- 1) Securely fasten canopy bracket to ceiling (fasteners not supplied)
- 2) Securely fasten supplied ceiling mount feeding suspension cable through the spring loaded cable clamp and into the ceiling mount making sure the cable exits through the small side hole in the mount.
- 3) Feed power cable through cable gripper in canopy and terminate.
- 4) Mount canopy to canopy bracket and fasten both side screws.
- 5) Screw suitable E27 lamp in and enjoy.

Note:

- Adjust shade height & level out by depression the cable clamp.
- Once in position, excess suspension cable can be trimmed.

Max. 60W ES Lamp (not included)
Line voltage must be installed by a qualified electrician,
in accordance with local electrical laws
