

flirt pendant

Let's face it, everyone likes feeling a little bit naughty every once in a while. Like touching the forbidden fruit or falling upon a chance encounter, your heart skips a beat. The Flirt pendant by Luxxbox gives you just a glimpse but won't tell you the secret. And it will always leave you wanting more.

Flirt comes in options for indoor or outdoor, with an E27 lamp base for a CFL or LED lamp, so whichever base you make it to, Flirt has the bases covered.
