Watch Out! Metallics

An element of luxury makes things a little more exciting.

Watchout now welcomes the metallic range to join the family. A pared back, bold and sophisticated twist on the original watchout takes the utilitarian and industrial aesthetic to a whole new level. The Watch Out pendant is a convergence of party vibe now in elegant metallics of chrome, brass and copper. Complemented with a clear finish, these statement pendants shine with a classy edge in any gritty, urban space.
