

Vapor Mini

Let your light shine through...

Running with the cool crowd doesn't mean abandoning individualism. The Vapor Mini offers a slightly more subdued, compact alternative to the traditional Vapor pendant. Choose your own contrasting colours for the outer and inner shade for a personalised lighting fixture.

key benefits

- _ Choose the colour of the inner and outer shade
- _ A wide range of powdercoat colours to choose from
- _ Great as a cluster or a single feature pendant
- _ Up to 2000mm suspension and power cables
- _ ES/E27 Lampholder
- _ 60W max
- _ Design and Made in Australia
